MESSAGE FROM OUR CO-PRESIDENTS

I'd like to take a moment in this first newsletter of 2023 to introduce myself. My name is Pamela Looney but I usually just go by Pam. Some of you may already know me, but if you don't, please come to a meeting and say hello and introduce yourself anytime. My goal is to get to know each and every one of you. I am honored to be a part of CVRWF and after joining in early 2021, I felt energized to become an active member, subsequently becoming 1st VP in 2022. I am proud that the Board of Directors have entrusted me with the position of Co-President for the year 2023.

As your new Co-President for the 2023 year, I look forward to leading our club in being active in the community on a local level and also helping to support and elect the right people in office for 2024. It will take all of us getting together to learn more as we move on from the past elections, share that knowledge with each other, and be examples of what it means to be a Patriotic American and Freedom loving Republican woman. We need to spread hope and the great message of Freedom and Liberty

that are the founding principles of this Republic.

I grew up in Southern California and have lived in San Juan Capistrano since 1998. My husband, Scott, and I have raised five beautiful children into hard working, community minded adults. I am proud to say they all returned home to Southern California from college and are still registered Republicans and married the same as well. Not an easy feat in this current educational indoctrination climate of Socialism and Marxism! We also have ten grandchildren under the age of six.

I remember the first time I could vote at the age of 18. I was so excited, and since that day when I was privileged enough to have voted for Ronald Reagan, I have never missed an election. I take that responsibility very seriously. One of our club's goals could and should be to register as many new voters as possible, grow the party, and enlighten the youth in the cities around us that Big Government is NOT your savior. As Ronald Reagan stated, "Man is not free unless government is limited."

I mentioned above that I have a Co-President. I think you all know her. Her name is Leslie Sciocchetti and we will be working together this year as a team. We both look forward to sharing this position. She is the reason I am in this club and have been ever since. She is dedicated, a hard worker, smart and a great friend. We met when our boys were in preschool in 2006. If you need anything or have any comments or suggestions, please feel free to email, text or call me.

Sincerely,
Pam Looney, Co-President CVRWF

Happy New Year!

Pam and I are looking forward to working with each and every one of you! We are excited to see the positive changes we can make together for 2023. As a proud native Californian, it's always been important to me to see this great state lead our nation in Christian values and innovation. I have been a member of CVRWF for almost six years and my involvement ebbed and flowed contingent on my family/work life. As new empty nesters, the time seemed right to start this new journey. I am looking forward to rolling up my sleeves and putting in the work to help combat keeping our Religious, Health Freedoms, and MANY more opportunities as they arise. Today, I am the owner of a high tech software company and provide jobs for nine people and very aware of the struggles of small businesses doing business in these challenging times and committed to making a difference.

I grew up in the central valley where hard work was actually hard work! My father was a farmer and my mother was right by his side and they raised ALL five of us with faith, honor, and courage. I watched my parents get involved in our church and local community where they made a meaningful impact to those they touched. I am proud to be a Farmer's daughter and want to carry forward the values my family bestowed in me. After college, I began my working career in Northern, CA then transferred to Southern, CA in 1995 where I met my husband, Marc. We were blessed with one son who is a freshman at Point Loma University in San Diego, where he is surrounded by those who want to see him succeed. Our faith is our life, I am a devoted Christian who believes in up holding traditional family values.

I am excited for our club's future and we need all of your involvement to continue to thrive. Together we have the power to make positive impactful changes for our families and future generations. We want to hear from you! Please reach out to either of us, we are in this together. Where there is no vision the people will perish. Proverbs 29:18 "If we don't intentionally plan our future we aren't going to have one."

God Bless,
Leslie Sciocchetti, Co-President CVRWF

DEED AND TRUTH

By Linda Kidwiler

Every person experiencing homelessness has a unique story. However, not every person experiencing homelessness is ready to pursue life change. Deed and Truth focuses on those who are. They vet individuals through existing organizations such as Rescue Missions. Their ministry bridges are strategically focused toward helping those who are actively engaging in life change programs. They strive to come alongside those organizations, and individuals, who are committed to life transformation to end the homelessness cycle.

House2Home (H2H) is part of Deed and Truth's ministry and assists individuals and families who have graduated from transformation programs and are transitioning into independent living spaces. The teams transform their houses into homes by providing the full services of moving, furnishing, and decorating. This was written by Kim, a volunteer of House to House:

On a sunny, cool, Saturday morning, Francis stayed home missing her daughter's tournament to greet me and my friends from House to Home. She has graduated from the Orange County Rescue Mission and we had the privilege of transforming her apartment into a home.

I spent hours in Lynn's garage picking out the items we used to decorate Francis's home. We met Francis and her sweet son and sent them off to lunch.

We cleaned, organized, decorated, repaired and double checked for hours. Is everything right, will they like it? When our team had finished, Francis returned with both her daughter and her son. As they entered their house, her young son began smiling from ear-to-ear, her daughter's eyes and Francis's eyes were tearing up. They LOVED it!

If you have any next-to-new furnishings you would like to donate, please contact Linda Kidwiler at 310-505-0457 or Debbie Mircheff at 949-370-9041.

Monetary donations are also greatly needed and can be made at www.deedandtruth.org/donate. A representative from Deed and Truth will be at our January meeting discussing their organization and how we can help.

CHAPLAIN'S CORNER

By Ginny Moore

Heavenly Father, as we leave 2022, we want to thank for you the many blessings you have given us. We thank You for your unconditional love, for new beginnings, and that you still have Your perfect plan. We ask special blessings on those who are physically or emotionally hurting, for those who have lost family members this year or were alone this Christmas, and for those who have a difficult time trusting Your plans. Lord, be near to us all. We thank you for the birth of Your Son Jesus Christ. May we never forget to put our hope and trust in You. Lord, bless and guide the new Congress and new Senate as they work together. May 2023 be the best year ever! In Jesus name we pray, Amen.
